

ON SUPPLIERS LETTERHEAD

**Australia –United States Free Trade (AUSFTA)**

I declare that goods shipped from \_\_\_\_\_ to \_\_\_\_\_  
Under commercial invoice number \_\_\_\_\_ are of “USA Originating Goods” as defined in the  
Australian and United States Free Trade Agreement, and as such are eligible to preferential duty rate  
of Customs Duty.

Section 153YB Customs Act – Goods wholly obtained or produced entirely in the US (WO)

Section 153YC Customs Act – Goods produced entirely in the US or in the US and Australia  
exclusively from originating material (POM)

Section 153YE Customs Act – Goods (except clothing and textiles) produced entirely in the  
US, or the US and Australia from non originating materials (PS)

Section 153YF Customs Act – Goods that are chemicals, plastics or rubber (PS)

Section 153YH Customs Act – Goods that are clothing or textiles produced entirely in the US,  
or in the US and Australia from non originating materials or a combination of non originating  
materials (PS)

If required by Australia Customs I am able to produce documentary evidence to my AUSFTA claim.
